Assignment #3: reference sources

DUE: 11/7/16

Instructions:

1. Using print reference books or online reference sources like Gale Virtual Reference Library (GVRL), find two (2) reference sources that will provide valuable background information on your research topic. Do your best to find sources from a variety of encyclopedias.

2. Use Noodle Bib to include an annotation or summary (2-3 sentences) for each reference source you provide. The main goal of an annotation is to communicate the relevance, accuracy and quality of the cited sources.

3. You will use your Noodle Bib account to compile, generate and submit your reference sources as part of your final Annotated Bibliography.
